## SAFETY FIRST

As part of a national incentive by Australian Sailing, RQYS has adopted 'Whole of Fleet' Safety Audits appropriate to your race category.

### ***So why extend equipment audits to all of our fleet?***

The simple answer is compliance and good safety practice within the club. We have a Duty of Care to those participating in RQYS events and this extends beyond RQYS responsibility to boat owners and skippers.

Nationally, self-audits have not, in the majority of cases, been completed to a satisfactory standard and it is our intention to engender into our sailors a culture of safety which benefits us all.

Chris Morgan, a division yacht owner and Queensland's Senior Sailing Australia Equipment Safety Auditor, has agreed to undertake the management of this program alongside the Sailing Office.

- All yacht owners and off the beach boats will be required to complete the appropriate Sailing Australia category form applicable to the club racing they intend to enter.  
[AS SR Safety Equipment Checklists](#)
- Owners will then be required to contact an Australian Sailing approved auditor(s) to arrange an inspection and sign off.

This is a compliance required under RRS 75 "entering an event".

Below is a list of our current RQYS auditors. If you are interested in becoming an auditor please contact Chris Morgan.
